

REFERENCE LETTER FOR MR KAROLY ERDEI

Sopron (Hungary), February 1, 2019

To Whom It May Concern,

It is my pleasure to recommend Mr Karoly Erdei for the position of English Teacher at your school. Mr Erdei and I worked together in Tudas-Var Nonprofit Ltd., which provides kindergarten standard activities in English as a foreign language. The learning program is based on a literature-based curriculum and the circle time activities are held in small groups. He worked from March 8, 2018 until December 31, 2018 in this institution with 3 to 5 year old children, of which I am the owner and managing director.

At the beginning of our mutual cooperation, Mr Erdei was asked to observe the lives of the two groups operating in our kindergarten for some weeks before he actually united with our little community. After a while, Mr Erdei was eager to lead supervised circle time activities such as story - telling, crafting, singing and exercising for each of our groups.

It was impressive to see how naturally Mr Erdei could adjust to the new environment and how easily he could find the right approach to the needs of the different age groups. Mr Erdei has a well-developed imagination, creativity, and the flexibility to create activities to operate effectively in the classroom. He also enjoys working in an unstructured environment. By finding the right speed and selecting the appropriate methods, he could provide caring, open and safe learning environment in his classes that not only stretches the children's abilities but also grants a great source of guidance in playing with others.

Mr Erdei is considered by nature a „team player”, he is willing to learn new approaches, shares his experiences with his colleagues and he has an ability to think critically about new information and situations which can help others develop also.

I highly recommend Mr Erdei for the position of English Teacher. Do not hesitate to contact me for further details, if required. My email address is: info@tudasvar.eu

Yours sincerely,

Mrs Eszter Kiss
